Community Hubs

HELLO NOVEMBER!

Community Hubs are a one stop hub that connects families and community members with services to maximize potential and achieve academic success. All Hub services are available at no cost to DPS families and community members.

This newsletter contains information about the Central Community Hub located at Swansea Elementary School on 4650 Columbine St Denver, CO 80216

To receive services all families or referring staff must make an appointment. At this time we cannot accept walk ins.

*Call our main office at
720-424-3710*

Since opening at our new location at Swansea Elementary School:

- We have assisted 81 families with clothing
- We have 83 participants enrolled in English and GED classes
- 77 families with hygiene products
- 30 families with diapers and wipes
- 228 families with backpacks
- A total of 522 plus services have been provided for families
- A total of \$9,494.69 distributed for Energy Assistance
